Year 7 Assessment Window 1 Timetable

Dear Parent/Carer,

Following the publishing of the "KS3 Assessment & Monitoring" website, "Parent Handbook", and related subject specific information sheets on the website, we are very pleased to be able to provide you with the timetable for the first KS3 Assessment Window of the 2016/17 academic year.

Please find the full timetable overleaf, that provides you with the details of when formative subject assessments are planned to take place.

The timetable displays class codes in specific periods during the two-week window. Please use the class codes from your child's normal school timetable to identify with them the times of their assessments within lesson periods.

Where "in MH" is shown, it means that all students in the class will complete the assessment in the Main Hall with the teacher identified by the initials in the brackets, otherwise the assessment will take place in the students' normal classroom. For example:

- 7b/S1 in MH (AM)
- 7b/F1 in L5 (HY)

To further support your child, please do look over the "KS3 Assessment & Monitoring" website, and especially the subject specific information and revision homework that will be set on Show My Homework by teachers over the next couple of weeks, in preparation.

We look forward to supporting your child through the assessment window and reviewing the outcomes with them in order to inform future progress.

Yours faithfully,

Mr A Pilbury
