- Hear about our Blue Peter Badge winners
- Year 9 Advanced Learners launched rockets in Stockport.
- Students at Tytherington give their verdict on the EU
- An update on the Bollington Bus Campaign
- 5 of our 6th Formers have gained places at prestigious summer events at Corpus Christi College, Oxford.

As I mentioned in my letter earlier this week, we are closing school earlier than normal on Friday 8th July so that staff and friends can attend the funeral of Guy Wharton which is taking place at the United Reformed Church in Macclesfield at 1pm on Friday 8<sup>th</sup> July. All are welcome.

Registration will be at the normal time of 8.45am but we will be closing school at 11.30am. There will be an opportunity for students to have a light lunch before the end of the school day. We have alerted the coach companies who are aware of the early finish.

We also plan to hold a special Guy Wharton Celebration Evening on Wednesday 13<sup>th</sup> July in the Main Hall at 6pm.

Take care

Emmanuel Botwe  
Headteacher

## NATALYA IS OUR FIRST ROTARY CLUB STUDENT OF THE TERM

The Rotary Student of the Term Award was presented to Natalya Corn from Tytherington School by James Anderton, the President of the Rotary Club of Macclesfield Castle. Natalya was nominated by the school as a highly achieving and supportive student especially for her work with the Sport Leaders Programmes, and, as a 'Transition Leader' helping the year 6 pupils moving to their senior school. The headteacher at Tytherington School, Mr. Emmanuel Botwe, said that Natalya demonstrates her caring and compassionate nature alongside her enthusiasm and passion for Tytherington School. He continued by thanking the Rotary Club of Macclesfield Castle for their 'massive support' to Tytherington School and for sponsoring this award Natalya said 'The school have supported me too, and given me the opportunity to help others and organise events. I am very grateful to everyone who nominated me.'

## TYTHERINGTON SCHOOL FIGHTS LOCAL COUNCIL OVER BUSES

Please keep up-to-date with our fight to keep a free service going for students in Bollington. Please visit our campaign website: <http://www.tytheringtonschool.co.uk/bollington-bus-campaign/>

Councillor Amanda Stott is working closely with us to hold a public meeting on Monday 4th July at 6pm. We apologise for the short notice but this is a great opportunity to hear from some of the decision-makers and local stakeholders. There will also be media coverage of the event so it is a good opportunity to make your voice heard. We are also aware that a meeting of Children and Families Overview and Scrutiny Committee has been arranged to deal with the Call-in of a Cabinet decision relating to walking routes to schools. The meeting will be held on Tuesday, 19th July, 2016, at 10.00 am in the Main Hall, Sandbach Town Hall, High Street, Sandbach, CW11 1AX. Please also keep an eye out for a "Drive into school" day of action when we will be looking at the effects of families getting to school using their cars rather than the buses. Please watch this space!

### TYTHERINGTON STUDENTS VOTE ON WHETHER TO STAY IN THE EU OR NOT

Students at Tytherington School were given the chance to vote on the burning issue of whether to remain or leave the EU on Thursday 23rd June. Students voted to remain: 62% remain vs 38% leave.

## SIXTH FORMERS WIN PLACES AT PRESTIGIOUS OXBRIDGE SUMMER COURSES

I am pleased to report that three year 12 students have been successful in securing a place on a residential event hosted by Corpus Christi college, Cambridge. It is called STEM for Women and involved the students submitting an application and then having to complete as many set physics tasks as they could manage. The most successful candidates were then offered places.

The successful students are: Elisha Zeiss, Elizabeth Taylor, Ruth Wallace

In addition, two other year 12 students have been successful in gaining a place at an Economics event on 8th July organised by the same College which is being held at Citigroup at Canary Wharf.

All five students accessed these opportunities as part of the Sixth Form academic enrichment programme.
