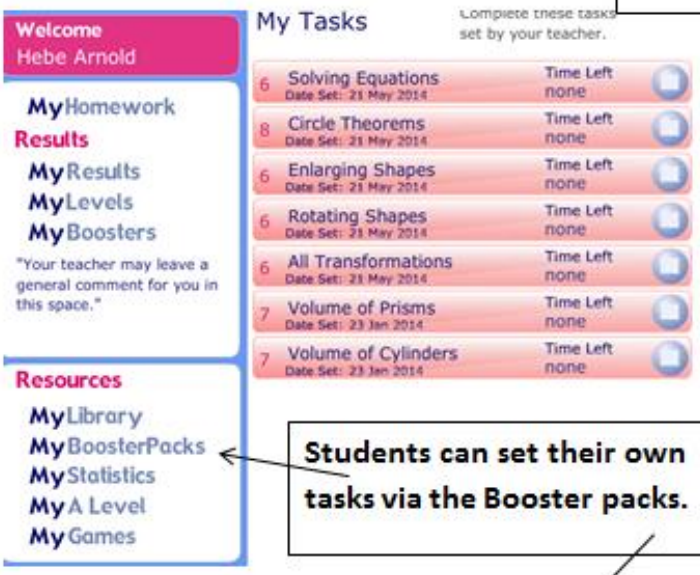
Mymaths – A guide for revision

Login: tytherington Password: chord

Students have their own individual log ins. If you require one please feel free to email me.

Students can track their results via this home page.

Some tasks may already have been set by the subject teacher.



Students can set their own tasks via the Booster packs.

Useful revision sites:

https://keshgcsemaths.wordpress.com/gcse-maths-takeaway/ google takeaway maths

Breaks the course down into the old grades A* - G but allows students to answer questions on individual topics.

http://www.mrbartonmaths.com/pupils.htm - Google Mr Barton Maths

Follow the links for Pupils / GCSE Revision Page – some good videos and revision notes. You will find notes on pretty much every topic here.

http://www.suffolkmaths.co.uk/pages/1revisionks4.htm Google Suffolk Maths KS4 Revision

A lovely website that has loads of useful GCSE resources. Questions by grade / Levels. Videos/ Revision tips – The speed dating guide is a good one for students to have a look at

Tytherington School Portal – We have put loads of resources on here for pupils. They can log in using their individual logs in (that they sign into the ICT computers with)

Chapter assessments, Videos, Revision Tips, Are you on Target sheets – can all be found here
