	notices
ROSE DAY (YEAR 12)	<p>Arrangements for ROSE day - all students (except Oxbridge and Russell group) to meet at 9:30am at school at the turning circle. Then to be registered on buses. We should be back at school by 3:15. Year 12 students were emailed yesterday a copy of the letter about the trip and also informed students they can wear non uniform, within reason (nothing transparent or anything like that!). A packed lunch will be provided but if you have any dietary requirements then please bring your own lunch.</p> <p>Oxbridge and Russell group need to be in at 08:45, they will be having their talk by an Oxbridge graduate between 9-9:55. They then need to get to the buses as quickly as possible.</p> <p>If anyone is interested in the opportunity at the law firm (see notice below about this) then please get in touch with Miss Bailey.</p>
ROSE DAY (YEAR 13)	<p>You will have three sessions on different revision techniques periods 1-3 and then you will have independent study time. However, if you haven't completed your UCAS form you will be in school periods 4&5 to complete them.</p> <p>For one of the revision techniques sessions you need to bring some notes: The notes can be a text book, handouts, written notes, revision cards, anything. The technique will work best with lots of text. Notes across a unit/topic would be good to bring.</p>
YEAR 13 UCAS	<p>Please ensure that you have printed off a complete copy of your form and had it checked by your tutors (pink checking forms are in the 6th Form Office) before leaving them for me to check.</p> <p>I keep finding the same mistakes: Centre No missing 40531 Capitals missing on nominated access, job titles and EPQ topics.</p>

	<p>Please can you all pay and send the deadline for this was back in October – it doesn't send them to UCAS only to me and I can't check them to approve them if you haven't done this.</p>
<p>Degree apprenticeship opportunities for year 13</p>	<div style="text-align: center;"> <h2>Degree Apprenticeship - Building Surveying - North West</h2> </div> <div style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p>For full details please see</p> <p>https://www.notgoingtouni.co.uk/opportunity/degree-apprenticeship-building-surveying-north-west-57560</p> </div> <div style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p>For other degree apprenticeship opportunities see the UCAS link below for current opportunities</p> <p>https://www.ucas.com/alternatives/apprenticeships/apprenticeships-england/what-apprenticeships-are-available/degree-apprenticeships</p> </div> <div style="background-color: #f0f0f0; padding: 10px; margin-top: 10px;"> <h3>Application details</h3> <ul style="list-style-type: none">  Apply from: 16th of November 2018  Application deadline: 29th of January 2019  Salary: £15.00 per Hour  Start date: 2nd of September 2019  Type: Apprenticeships, Degree Apprenticeships </div>
<p>Yr 12 attendance for enrichment and electives</p>	<p>Many thanks for the fantastic help and support students supporting teachers during enrichment periods and during electives. There is rarely a day goes by in which a member of staff doesn't make a positive comment about you. Just a reminder that you appear of each register for these periods. If there is a specific reason you cannot attend one week, it would be very much appreciated if you could let the member of staff know in advance.</p>
<p>Yr 12 parents evening</p>	<p>The first parents evening is approaching and will take place in the Jubilee block on Thursday 6th December. Letters will be sent out the parents shortly. Staff will ask you to make appointments with them</p>
<p>A year in Industry opportunities</p>	<p>http://www.etrust.org.uk/the-year-in-industry</p> <p>With more students entering higher education than ever, leaving university with a good degree no longer guarantees the graduate job you want. Even if you're not exactly sure what you want to do after your degree, a Year in Industry will earn you respect and give your CV the competitive edge. 97% of students who have undertaken a Year in Industry feel they are more employable, as it adds massive</p>

	<p>value to a CV as well as greatly increasing confidence and maturity levels. You will be paid a wage, and will be expected to undertake a challenging job, which will both be stretching and relevant for your future studies and career path.</p> <p>They help post A-Level/Higher/Advanced Higher and undergraduate students find the best UK work placements in all areas of engineering, science, IT, e-commerce, business, marketing, finance, logistics and more.</p> <p>You will receive full support from The Year in Industry through a year-long mentoring service at your company, including on-site visits from the YINI team.</p> <p>Around a quarter of all their students are sponsored through university each year and many of our 300 partner companies see The Year in Industry as an important part of their graduate recruitment programme.</p> <p>Who is it for? This will be a 9-12 month work placement for A-Level and undergraduate students in the UK.</p> <p>Further information and how to apply is on the link above</p>

OPPORTUNITY FOR YEAR 12 STUDENTS ASPIRING TO STUDY LAW

Senior Partner at Kingsley Napley, an internationally renowned Law Firm, inviting Tytherington Y12 students to take part in a brilliant competition which is being run in conjunction with The Times Newspaper.

Students work in small teams of 2-4, completing a series of tasks typically dealt with by solicitors. They also provide legal advice for virtual clients. This is all done via Kingsley Napley's website.

The aim is to give them first-hand experience of what it is like to be a solicitor. Taking part would also look very good on University and job applications.

There are various stages, starting in January 2019 and the final will be in June 2019 at the Times Headquarters. If students reach the final, accommodation & travel are all paid for by the firm.

Winning team receives - £5000 for their school, £500 for each student in the team, A weeks work experience at Kingsley Napley, the opportunity to interview with them for a Legal Apprenticeship (6-year study and employment leading to qualification as a solicitor), Even if they don't secure the apprenticeship, runners up receive 3 months paid employment at the firm.

Runners up receive - £200 for each student

If any student is interested, please see Miss Bailey.
